## Communiqué on the Attacks in Ethiopia and Zimbabwe

It is with deep sadness that the Pan African Youth Union received the news of two attacks taking place in Addis Ababa, Ethiopia and Bulawayo, Zimbabwe last weekend. We strongly condemn these cowardly attacks.

We extend our sincere condolences to the families of the victims whose life were taken and wish speedy recovery to the injured. We keep everyone going through this time of sorrow in our prayers. Acts of terror have no place on our continent; we hope that those who carried out these horrible and inhuman attacks will be brought to justice.

We express our solidarity with the people and governments of Ethiopia and Zimbabwe. To the Youth we say, stay strong, do not let fear guide you, shape your future and your continent's future.

We take this opportunity to remind each and everyone of their responsibility to provide a safe and benign environment for all to flourish in Africa.

May God bless Africa,

The Executive Committee
